**Vision:**

To Help And Nurture Developing Societies by assisting missions and communities in their efforts to improve, and show the love of Jesus in all that we do.

**Core Values:**

1. We value being **Christ-centred** and so submit ourselves to a life of faith and obedience under Christ's saving Lordship.
2. We value **Prayer** and so believe that God hears and answers our prayers, which undergird all of our ministries and activities.
3. We value being **intentional in Evangelism** and so responding to the saving grace of God we seek to honour Christ's call, to spread the good news about what he has done for us, by sharing this truth with people who do not know him.
4. We value **Ministering to One Another** and so believe in Bible based relationships.
5. We value **Biblical Leadership** and embrace servant leadership.
6. We value **Ministering with One Another** and believe that effective ministry is increased through empowerment and teamwork.
7. We value **the Bible** and so believe in its integrity and authority as our guidebook for daily living in our personal life.
